USMD Adds Four Physicians to Support the Growing Healthcare Needs of the Dallas-Fort Worth Metroplex

IRVING, Texas – (October 28, 2013) - [USMD Holdings, Inc. \(NASDAQ: USMD\)](#), a physician-led integrated healthcare system, announced today that four new physicians—Sachin Gupta, M.D.; Libby Dilg, M.D.; Katrina Roop, D.O.; and Satish Pasala, M.D.—have joined USMD Affiliated Services. These new physicians have been added to respond to the growing healthcare needs of the communities and patients USMD serves.

“I am excited to welcome these four physicians to USMD. At USMD, our goal is to continually provide patients with the best quality and most personalized healthcare,” said John House, M.D., chairman and chief executive officer of USMD Holdings. “Adding these physicians allows us to continue providing our patients with the type of care they are accustomed to receiving from USMD.”

Dr. Gupta, a cardiologist, has joined USMD at its Las Colinas Clinic. With the addition of Dr. Gupta, USMD now has three board-certified cardiologists on staff. Adding a third cardiologist to USMD’s growing physician base is necessary since heart disease continues to be the number one cause of death worldwide.

Dr. Dilg will join USMD’s growing team of internal medicine physicians, bringing the total number of internists at USMD to 58. Dr. Roop will join USMD as a family practice physician, bringing the total number of family practitioners to 28. Dr. Pasala joins USMD’s team of endocrinologists, bringing USMD’s total number of endocrinology physicians to six.

More about USMD’s new physicians:

Dr. Sachin Gupta will practice at the Las Colinas Clinic. Dr. Gupta completed his fellowship in cardiology and an advanced fellowship in heart failure and cardiac transplantation at the University of Texas Southwestern Medical Center. He completed his residency in internal medicine at the University of Texas Health Science Center at Houston and his medical degree at the All India Institute of Medical Sciences in New Delhi, India.
